

TWO ACUTECARE TELEMEDICINE PARTNERS EARN ATLANTA MAGAZINE 'TOP DOCS' HONORS

July 3, 2012 – Atlanta, GA: [AcuteCare Telemedicine](#) (ACT) partners James Kiely, MD, PhD, and Matthews Gwynn, MD were included in the 2012 edition of [Atlanta Magazine's](#) annual 'Top Docs' list. The feature story of the magazine's July issue highlights the best physicians in Atlanta, as voted upon by the doctors themselves. The list was compiled by Castle Connolly Medical Ltd., a New York-based healthcare research and information company.

Dr. Kiely is a partner in Atlanta Neurology, P.C. and Medical Director of the Neurophysiology Departments at Northside Hospital and St. Joseph's Hospital of Atlanta. He is also a member of the Epilepsy Foundation of Georgia and a past Chair of their Professional Advisory Board. Dr. Kiely is Board-certified in Neurology with added qualifications in Clinical Neurophysiology. He was also recently named one of 'America's Top Doctors' by US News and World Report.

Dr. Gwynn is Founder and Director of the Stroke Center of Northside Hospital and recent Chairman of the Department of Internal Medicine. He is also a partner in Atlanta Neurology, P.C.; Co-Medical Director of Neurotrials Research, Inc.; the Chief of Neurology at St. Joseph's Hospital of Atlanta; and served as the president of the Medical Association of Atlanta 2010-2011. Dr. Gwynn is Board-certified in Internal Medicine and Neurology and like Dr. Kiely, has also been named one of 'America's Top Doctors' by US News and World Report.

"We are constantly working to deliver our client hospitals and our patients the highest standard of care and service possible at ACT as well as in our practice at Atlanta Neurology, P.C.," commented Dr. Kiely. "Dr. Gwynn and I are thoroughly honored to have been recognized by our peers. We will continue to strive for excellence as ACT further extends its reach in 2012 and beyond."

About AcuteCare Telemedicine

Founded in 2009, AcuteCare Telemedicine is a limited liability corporation advancing the opportunity for healthcare institutions to gain access to highly-respected, expert neurologists and telemedicine technologies. AcuteCare offers a range of services including first-rate neurological emergency response care with around-the-clock support and hospital accreditation education. AcuteCare primarily provides remote emergency neurology consultation which fills staffing needs and reduces the costs associated with 24/7 neurologist availability. As a result, healthcare institutions provide full service emergency neurology care and can earn Joint Commission Certification as a Primary Stroke Center.
